

CANDLELIGHT VIGIL FOR DARFUR

Please join Orange County for Darfur at a candlelight vigil as we hold in heart and mind the victims of genocide and affirm our hope and strong intention for peace and healing in 2008.

We wish to take a photograph of each individual attendee holding a candle for Darfur. Photos will be digitally combined collage style after the event in order to spell out an anti-genocide slogan.

Darfur has been embroiled in a deadly conflict for [four years now]. At least 400,000 people have been killed; more than 2 million innocent civilians have been forced to flee their homes and now live in displaced-persons camps in Sudan or in refugee camps in neighboring Chad; and more than 3.5 million men, women, and children are completely reliant on international aid for survival. Not since the Rwandan genocide of 1994 has the world seen such a calculated campaign of displacement, starvation, rape, and mass slaughter.
