About "Rebuilding Hope" . . .

As small children, Gabriel Bol Deng, Koor Garang and Garang Mayuol fled their Southern Sudanese villages and walked thousands of miles seeking protection from the ravages of a civil war. Joining thousands of other boys with a similar plight, "The Lost Boys," had to leave their African roots and find their way in a strange land . . . America.

"Rebuilding Hope" is a powerful account of Gabriel Bol, Koor and Garang's quest to find surviving family-members and rediscover and contribute to their homeland; it also sheds light on what the future holds for South Sudan in its precarious struggle for peace, development and stability.
